

INTERVIEW CONSENT FORM (phase 1 or 3)

What factors influence the optometric referral reply rate?

☐ I have read the attached participant information sheet on the above research topic in which I have been asked to participate as an interviewee. I confirm I have been given a copy of the participant information sheet to keep. I have had the opportunity to discuss any concerns about the research study. I have been able to ask questions pertaining to the information provided and my proposed participation.

☐ The Investigator has explained the nature and purpose of the research and I believe that I understand what is being proposed.

☐ I have been informed that the interview will be audio recorded.

☐ I understand that my personal involvement and my particular data from this study will be anonymised and remain confidential.

☐ I have been informed about what the data collected in this investigation will be used for, to whom it may be disclosed, and how long it will be retained.

☐ I understand that I am free to withdraw from the study at any time, without necessarily giving a reason for withdrawing.

☐ I hereby fully and freely consent to participate in the study.

Participant's Name:(Block Capitals)

Participant's Signature:

Date:

As the Investigator responsible for this investigation I confirm that I have explained to the participant named above the nature and purpose of the research to be undertaken.
