Dear Krystynne Harvey

4 September 2018

**RE: HSCSEP/18/12 What factors influence the optometric referral reply rate: a mixed methods study**

Thank you for submitting this proposal and for your amendments to the Participant Information Sheets, Consent form and Invitation E-mail made in response to the reviewers' comments.

I am pleased to inform you that full Approval for this study has been given by Dr. Adèle Stewart-Lord, on behalf of the School of Health and Social Care School Ethics Panel.

Please use the template attached for your consent forms. If you wish to make any changes to the research protocol or any of the documents related to this study you MUST seek approval from this panel before making those changes.

Please include your reference number HSCSEP/18/12 in any future correspondence.

I wish you every success with your research.

Yours sincerely,

Dr. Adèle Stewart-Lord
