The Research and Ethical Committee
London South Bank University
London

Dear Chairman

Ref: **Research proposal, Doctor of Optometry,
What factors influence the optometric referral reply rate? Krystynne
Harvey**

Liaison with Institute of Optometry Research and Ethics Committee

In my role as Chairman of the Institute of Optometry Research Ethics Committee, I am writing to confirm that the IoO's REC has studied and commented on Krystynne Harvey's proposal, and made a few minor suggestions to which she has agreed.

The Committee wishes to inform you that it is happy with the proposed research and therefore grants its approval.

Yours sincerely

Ronald Rabbetts
